

Step-by-step Guide

to help students
use Paper

Paper Login (grades 3-5)

- *Type app.paper.co in your browser. It will prompt you to choose your school. Type in new hope elementary.
- *Students will sign in through clever.
- *Choose new hope elementary (lowndes county school district) Login through office 365. Username is students' msis number@lcsd.ms and the password is lowndes.123

Student Login: Students can log in through app.paper.co

Once students have logged into Paper they have the option to either begin a live chat session with a Paper tutor or submit written work for review.

→ Start a live chat & ask a question

In the student dashboard, students can type a question into the chat box or select a subject to ask a more specific question. Either of these options will connect students with a tutor instantly.

→ What happens during a live chat with a tutor?

Live chat tutoring sessions allow students to message 1-on-1 with a tutor. Students can share the question they need help with by typing the question out, uploading a screenshot or uploading files from their teachers. Tutors ask guiding questions to help students understand their homework, never giving away any answers.

→ Submit written work for review

Any written work such as essays, lab reports, or college applications can be reviewed by a Paper tutor who will return the written piece with feedback. Click on "Upload an essay" and follow the instructions to begin.

About Paper's Tutors

From elementary English to AP physics, Paper's tutors help every student in exactly the way they need. Tutors speak English, Spanish, Mandarin and French. Each exceptional specialist is a carefully selected, rigorously trained employee—not a contractor. Tutor managers are trained in SafeTalk and can identify at-risk students.
