

**LOWNDES COUNTY**  
*School District*

CALEDONIA • NEW HOPE • WEST LOWNDES

January 23, 2014

Dear Parents,

With the signing of the *No Child Left Behind Act of 2001* (NCLB), America's schools were asked to describe their success in terms of what each student accomplishes. NCLB mandates that the results of the Mississippi Curriculum Test (MCT2), Mississippi Science Test (MST2), and Mississippi Subject Area Testing Program (SATP2) be published in an annual state, district, and school report card so parents can measure the performance of their child's school and the state's progress.

In our effort to describe the performance of students in our school, we have provided you with the link to this snapshot of our academic performance on the Mississippi Assessment System.

To access Lowndes County School District Report Card:

- Go to <http://www.lowndes.k12.ms.us>
- Select **Departments**
- Select **Federal Programs**
- Select **District Report Card**

In addition, you may request a paper copy of the 2012-2013 Lowndes County School District Report Card by calling our office at 244-5000 (office).

Sincerely,

Lynn Wright

Superintendent

Lowndes County School District
